

F-NP BOARD

When first coin, second coin, third coin... throw in, game credit can be changed each flexibly.

- F-NP BOARD can set up credits as you want for coins in flexibly.(N and P are variable.)
- CREDITS can be set freely based on inserted COINs numbers in order.

Ex: If set -----

1 credit for the first coin and
2 credit for the second coin,

Then totaly 3 credit will be showed when 2 coins are inserted.
